

## RANDOLPH GRAND OTTOMAN

---

The Randolph Grand Ottoman is a statement addition to any room while also being slyly multipurpose. With its generous size, comfortable top, and sturdy construction, it's ready to do the work of a daybed, bench, or coffee table. The meticulous pleats add an unobtrusive dash of style while underscoring a small portion of the incredible talent and skill poured into this piece. Each ottoman is handmade in North Carolina using firm but comfortable cushion and a robust walnut frame. In addition to stocking the Randolph in classic Ellis Cypress, the ottoman can be made to order in no fewer than 18 additional colors.
